

Total Peace of Mind...

For all your Gas Fitting and Plumbing

...with the Classical Gas Care Plan now with optional plumbing, electrical and drainage cover

Introducing the Classical Gas Careplan giving you total peace of mind. Classical Gas has been trading for 30 years boasting one of the lowest Gas Safe Registered numbers in the region. This is testament to the quality of service and work we provide. No call out centres to deal with just friendly staff who are here to deal with the problem in hand.

For a low monthly subscription you can avoid expensive surprises in the event that your central heating breaks down and you don't have the hassle of trying to find an engineer to respond **within 24hrs**, plus the added benefit of an annual service and gas safety check.

All this for just one regular low cost monthly payment:

- Unlimited call outs and breakdown cover for your Boiler, Central Heating Controls, Radiators and Hot Water. Including all parts and labour*. No excess to pay.
- Annual Service & Safety Inspection of your Boiler (plus reduced rates for all other appliances such as your fire or cooker)
- Replacement of your old Boiler if it is impossible to repair due to parts not being available or it is deemed uneconomical to repair*
- Priority response Guaranteed attendance within 24hrs by a registered Gas Safe or Niceic engineer.
- No more bills to pay*
- Low affordable monthly payments. From as little as £2.05 per week

From only
£2.05
per week

We are a local company, committed to giving the highest standards of service. We do not sub-contract installations - all our work is undertaken by our own, fully trained, GAS SAFE registered engineers. We have been in business for over 30 years with over 8,000 satisfied customers in East Yorkshire.
